Sources - Modern Bath

Pendant Light Fixtures - https://rstyle.me/+LtZ3QpWs_sAj4GOGtawTkg   Paper shade with brass finish. Note: This is a large fixture for a bathroom, but we had a nice tall ceiling and lots of space. Verify your needs with this spec, there is a smaller version of this fixture.

Ceiling mount light fixture over tub - https://rstyle.me/+TZUd7mdCB0uZiSKxxbUBGQ

Floor and wall field tile - Arizona Tile, Metalwood, Platino
https://www.arizonatile.com/en/products/porcelain-and-ceramic/metalwood

Accent glass tile - Walker Zanger, Oceanside Glass, Tessera, Tahoe IR 028 - Not sure this is made anymore as this project is over 5 years old now, but this was what was specified back then. Contact Oceanside Glass or Walker Zanger for more info.

Cabinet Pulls - https://rstyle.me/+UC32cTmlK5nepT6-j3nBvw
We did a combination of 9" and 6" pulls on the drawers due to the width of the drawers.
