

Project Reveal - 5/15/15 Source List, Living Room/Kitchen/Breakfast Room

Thanks for inquiring about my project! I have included a source list for the products used, below. Although we consulted with the homeowner on most of the furnishings items, she purchased most of those herself or had them already, so we've got finishes and lighting only named below.

Sources:

Hardwood Floor - Hemingway, [Key West Collection](#), color: Sand

Paint Color: Sherwin Williams, Toque White, SW 7003

Fireplace and Backsplash Tile: [Daltile, Limestone Collection, Chenille White](#), Vein-cut, the backsplash is the smaller size, 3" x 8", the fireplace is the 8" x 36"

Countertop: Caesarstone, [1141, Pure White](#)

Kitchen Pendants: [Restoration Hardware](#)

Breakfast room light fixture: [Restoration Hardware](#)

If you have further questions you can contact me through my Q and A service: [Designed in a Click](#).
